

7th edition of WonderPUCK Street Festival

Cluj-Napoca, Romania

8th-10th September 2023

WONDERPUCK Street Festival is an open-air event that celebrates innocence and joy. The festival is focused in creating a complex program, combining artistic, educational and entertaining activities addressed to children, teenagers and the entire family such as: **theatre performances, animation movies, street performances** (with giant puppets, circus and carnival elements included), **concerts, exhibitions** and **workshops**.

Over the years, WONDERPUCK grew into a community of local, national and international artists that display the magic of street events, in order to create a space of closeness.

WonderPuck Street Festival started in 2017 and it was the only festival dedicated to children and family in Transylvania. As time passed by, the festival grew and it became both a tourist attraction in Cluj-Napoca, gathering more than 20.000 people and an artistry hub.

Performance venues: Unirii Square, courtyards: Art Museum, the Transylvanian Museum of Ethnography, Bánffy Castle – Bontida.

WonderPUCK Street Festival is organised by ESUA Association in collaboration with PUCK Puppet Theatre and LIONS International Foundation. It also has the support of Cluj County Council together with Cluj-Napoca City Hall and AFCN.
